Information on the Training

Violence in the Workplace - [Registration](#)

Date and time: 10/19/2011, 10:00 AM - 11:15 AM PST

Category: Webinars

Description: Webinar Co-Sponsored by CSPCA and CODESP

Employers must take a proactive approach to workplace violence, a serious problem that plagues all types of public agencies and businesses. Joseph Sanchez, partner in the Labor & Employment practice group of Best, Best & Krieger LLP of San Diego, will present guidance on the warning signs of workplace violence and how to respond should such workplace violence occur. The training will also provide pointers on conducting workplace violence investigations and how to obtain workplace restraining orders in response to threats of violence.
